## Experience

Jul 2023 - Present

Cogent Biosciences | 275 Wyman St. Waltham, MA

### ▶ Desktop Support Specialist

- Responsible for providing day to day Mac & Windows IT support to over 150 local and remote Cogent staff members
- Maintain inventory for IT equipment using ManageEngine, including imaging and deploying devices to staff
- Monitor network security applications daily such as Rapid7 and Proofpoint to ensure company data is protected
- Create and update comprehensive project documentation, ensuring standardized processes across all IT workstreams
- Manage user accounts and troubleshoot issues with Active Directory and Office 365

Jul 2021- Aug 2022

All Star Auto Lights | 300 W. Grant St. Orlando, FL

### ▶ Web Design Intern

- Responsible for design process and infrastructure of the company's first intranet; worked directly with management for several iterations of the site to optimize interface for employee usability
- Actively participated in meetings with individuals from a variety of different company divisions to develop a newsletter that was subsequently distributed companywide on a weekly basis

## Projects

### ▶ Various Personal Art Projects

- Please refer to my portfolio page to view my personal art projects.

### ▶ Mage Match:

- Participated in a team of 5 students as the lead artist to develop a 2D color-matching puzzle game using JavaScript

July 2018

Carnegie Mellon University Summer Program

### ▶ Gauntlet Remake

- Producer and 2D artist for a team of 4 students to develop a 2D PC remake of the 1985 Gauntlet game in Unity using C#

## Leadership

Aug 2016 - June 2019

Junior Newtown Action Alliance | Sandy Hook CT

### ▶ Co-Chairman

- Led Newtown High School's student organization to engage young advocates to become active in helping to end the gun violence crisis in America including coordinating numerous events including a community vigil after the Parkland tragedy, the National School Walkout and National Vigil for All Victims of Gun Violence
- Traveled to Washington, D.C. to meet with Members of Congress to advocate for gun legislation and spoke in front of 800,000 participants at the March for Our Lives in Washington, D.C. on March 24, 2018
